*"My name is Jennifer, and I am a sixteen-year-old living in a remote little village in Alaska. Your television network has brought encouragement to me – especially, the show 'Reflections.' Every night, I make sure that it is on. I love the nature-filled scenes and the beautiful verses that come along with it. I thank God for all the things you do to spread His Word to even the most remote places of the world."*

# UNDERSTANDING THE SUPERNATURAL

WITH SID ROTH

**Q: YOU DIDN'T START OUT IN MINISTRY – TELL US A LITTLE ABOUT YOUR DRIVE FOR SUCCESS AND HOW THAT LED YOU DOWN A DARK PATH.**

*A: As a child, television taught me that money would buy happiness. My goal in life was to be a millionaire by age 30. I was raised in a Jewish family and attended an Orthodox Jewish synagogue. After graduating from college, I became an account executive at Merrill Lynch -- at the time the largest stock brokerage firm in the world. I married and had a daughter. Then suddenly I reached age 29 and realized I would not be a millionaire by 30! This triggered an early mid-life crisis.*

**Q. HOW DID YOUR INVOLVEMENT IN NEW AGE LEAD TO YOU WANTING TO TAKE YOUR LIFE?**

*A: I left my job, my wife, and my daughter and went searching for happiness. My search led me to a New Age mind expansion course. Later, I read a book about the New Age from a Christian perspective and realized I was demon possessed. I wanted to be set free from the demon, but did not know how. I hit my breaking point. Life had become too hard and I didn't want to live.*

**Q. TELL US ABOUT THE SUPERNATURAL ENCOUNTER THAT CHANGED YOUR LIFE.**

*A: At the worst moment in my life, I remembered that my Christian friends told me there was more power in the name of Jesus than the demons. I cried out one night, "Jesus, help!" Then I went to sleep not caring if I ever woke up. The next morning I experienced the tangible love of God. All fear disappeared and I knew deep within that Jesus had set me free. I heard the audible voice of God say, "I hate divorce. Return to your wife and daughter." I was obedient and God restored my family. Joy and I have now been married 52 years!*

**Q: YOU TALK A LOT ABOUT BRINGING THE GOOD NEWS OF THE MESSIAH "TO THE JEW FIRST." WHY IS THIS SO IMPORTANT?**

*A: I have found that when God wanted to reach the world, He went to the Jew first. He started with the first Jew, Abraham. When Jesus wanted to reach the world, He too went to the Jew first. Matthew 15:24 says, "But [Jesus] answered and said, 'I was not sent except to the lost sheep of the house of Israel.'"*

*When Paul, the Apostle to the Gentiles, wanted to reach the Gentiles, he too went to the Jew first (Romans 1:16). I call this God's Law of Evangelism. When I go to evangelize*

*the Jew first, it opens up a greater supernatural door to evangelize the Gentiles than if I went to the Gentiles first.*

*The Jew requires a sign (1 Cor. 1:22). I equip believers to demonstrate God's Kingdom by moving in signs and wonders to reach the Jew as a catalyst to evangelize the world.*

**Q: WHAT IS SOMETHING BELIEVERS CAN DO TO HELP BRING ABOUT THIS MANDATE?**

*A: Witness to your Jewish friends. One way to do this is to offer to pray for their healing. Or you can give them my God-directed evangelistic book, They Thought For Themselves. We have distributed over 3 million copies of this book to Jewish people around the world. Consider helping sponsor our book mailing to Jewish people in North America or our Jewish evangelistic meetings.*

*Also, request my free booklet, The Mystery Law of Evangelism, which will teach you how to evangelize the Jew. (Visit SidRoth.org/Free to download or request a free physical copy.)*

**Q: YOUR LIFE HAS BEEN MARKED BY THE SUPERNATURAL! WHAT IS THE MOST SURPRISING EXPERIENCE YOU'VE WITNESSED?**

*A: The greatest experience I ever witnessed was when my Orthodox Jewish father accepted Jesus on his deathbed.*

**Q: WE WERE HONORED TO HAVE YOU JOIN OUR DAYSTAR FILM DOCUMENTARY, SUPERNATURAL ENCOUNTERS. WHAT KIND OF IMPACT DO YOU THINK THIS**

**FILM WILL HAVE IN THE LIVES OF BELIEVERS?**

*A: It will make them hungry for the supernatural. Anything I can do, you can do better!*

**Q: WITH HALLOWEEN COMING UP LATER THIS MONTH, GHOSTS AND GOBLINS WILL SOON BE ON DISPLAY EVERYWHERE. IS THERE A HARMLESS ASPECT TO HALLOWEEN, OR IS THIS SOMETHING THE CHURCH NEEDS TO TAKE SERIOUSLY?**

*A: Playing with the devil is never harmless. He doesn't play fair!*

**Q: HOW DO YOU ADVISE CHRISTIANS TO OBSERVE THIS HOLIDAY?**

*A: It is a good time to pray in tongues for the election on November 8th. Pray that God's choice will be President of the United States!*

**Q: YOUR PROGRAM, "IT'S SUPERNATURAL!" APPEARS DAILY ON DAYSTAR. WHAT CAN VIEWERS EXPECT WHEN THEY TUNE IN?**

*A: Expect to be healed, become closer to God, and begin to move in miracles for others!*

“ALL FEAR  
DISAPPEARED  
AND I KNEW DEEP  
WITHIN THAT  
JESUS HAD SET  
ME FREE.”

# HOW TO SAVE A *Life*

*Imagine losing all hope. Your world crumbling around you. Tears have turned your eyes red. Your hands tremble. You don't know what to do or where to turn. It's late, but you can't find the peace to fall asleep.*

*Now imagine turning on the television and being greeted by a message that stirs something inside you. It's a message you've never heard before, about a love that's unconditional and life changing.*

*At any given moment in cities and far off places all around the world, there are men and women, children and grandparents, that are living this nightmare, and they just turned on their televisions to find the hope, love, and peace they've been searching for... and it's all because of people just like you.*

*When you become a Daystar Partner, you're not just empowering Christian Television to broadcast all over the planet, you're helping save a life. You're bringing hope and peace to restless hearts that are desperate for change, and because you've blessed someone else, God will bless you.*

### - BEHIND THE SCENES -

Each year at Daystar, we strive to develop specials and projects that we think will inspire and inform while covering topics that we know our viewers are interested in. Through this process, we have created the exciting new documentary, *Supernatural Encounters*, released during this *Heart for the World*.

Filled with interviews and stories covering everything from healings and miracles to demonic attacks and angelic visitations, this film will take viewers deeper into the invisible world at work around us.

"We believe this documentary was always God's idea, and it's been an indescribable honor to partner with Him to make it a reality. Our hope is that in watching this film the viewer will begin to see Him in a new way, through a fresh perspective. He's not just good. He's willing to bring Heaven to earth on our behalf," Jennifer Wood, Producer.

Scripted by a Daytime Emmy nominated Writer and scored by Lakewood Church's William Garcia and the newest member of the Lamb family, Joshua Brown, this Daystar Film presentation features the best in quality production and filming techniques.

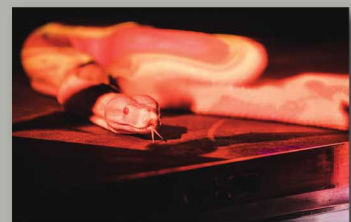

"From the beginning we wanted to create something visually stunning. We felt that portraying the supernatural world in abstract ways would lend itself to the content and capture the attention of the viewer," Drew Pendleton, Director. "I'm amazed what we were able to achieve."

If you missed your chance to bring home this one-of-a-kind documentary, it's not too late to secure your copy! Just go to [Daystar.com/Give](http://Daystar.com/Give), and become a partner today!
