# FROM THE DISK OF MARCUS LAMB

Dear Partners & Friends,

Spring is my favorite season of the year! The cold has left, the grass is green, the flowers are colorful, and the birds are singing. What a great **Spring Sharathon** we had! About \$35 million was pledged. Joni & I want to thank you for your pledge. And we want to thank you, in advance, for fulfilling that pledge!

I tell people that a **harvest** is a process. So, the "**sooner you get your Seed into the Ground, the sooner your Harvest will come!**" If you don't have it all now, just send what you can. But do something, so God will have something to work with, and bless...

Be watching for Joni Table Talk with her special guests: Mark Burnett, and Roma Downey. Mark is the Executive Producer of: *Survivor, Apprentice with Donald Trump, The Voice* and now The Bible! Roma starred in *Touched By an Angel*. The Bible was the number one show on Cable TV and had more viewers than American Idol! We need to support efforts like these.

I always like to share good news. Joni & I have worked behind the scenes a long time in helping **Benny & Suzanne Hinn** with their marriage. (I know that others have also helped.) Well, the **good news** is that a few days ago they got remarried!

Joni & I attended the wedding which was held at TBN's *Holy Land Experience* in Orlando, Florida. Pastor Benny had Joni & me sit on the platform and introduced us to the crowd. (Almost everyone cheered, which was really nice.) So please pray for continued blessings on Benny & Suzanne's marriage, family, and ministry.

I hope you saw Evangelist **Steve & Jeri Hill** on our program recently. As you probably know, Steve Hill led the great **Pensacola**, **Florida Revival** at the **Brownsville Church** with Pastor John Kilpatrick. That revival saw thousands saved and lasted for many years. Daystar was privileged to televise many of the services! Our recent program with Steve was so great that I made an executive decision to extend the time so we could see more people saved! That is what your **Daystar** is all about. That's why we ask you to support Daystar.

My little, sweet **Mother**, Martha Corinne ("Rene") Lamb died unexpectedly the day after Valentine's Day at the young age of 75, in Macon, Georgia. I was honored to conduct her funeral. Thank you so much for your prayers, and all of the encouraging cards and letters. (I need a lot of *Grandmas* to be part of the "Grandmas Club" and pray for me and Daystar.)

Yours For Christian Television,

Marcus D. Lamb Founder/President

**Daystar Television Network** 

P.S. Thank you for standing with Joni & me!!!

TESTIMONIES
AROUND THE WORLD

"Today, as I was listening to the show a strong desire to give to bless Israel arose within me, but I had no idea how I could do that. I was weeping and praying, "Lord, I have NOTHING of my own...but I want to do this...how can I do this? Please make a way." Right after I had prayed and walked away to go on with my day, my husband suddenly showed up and came in and sat

down. He began watching and listening. I DID NOT ASK him can we do this... but I mentioned that I believed in blessing Israel. He said, "Do you want to do this?" God knew I needed my husband to be in agreement with my desire. I was greatly surprised that he agreed and gave me permission to make a thousand dollar pledge. We have never made a pledge

this large! PRAISE THE LORD! That was a miracle in itself and I believe God is going to do something special for our family to restore, heal and meet our need for a home here in Arizona. I further want to pay a tithe back when we receive this blessing. I am believing God will multiply this so we can give MORE to The Lord!"

to bloom and warm weather is apparent. It is an exciting time as we prepare for our Daystar tour to Israel in June. Israel holds a special place in all of our hearts because in 1983 on the Mount of Olives is the first time that God spoke to Marcus about getting involved in Christian Television.

Who could have imagined in those early days that the Daystar Television Network would be birthed and have the ability to reach the world?

I want to thank all of you that are helping support the Daystar House of Hope in Israel that will house and care for aging Holocaust Survivors. We are all looking forward to visiting these wonderful residents on our trip in June. Of course, Israel is

close to all of our hearts and many of you know

that our first grandchild is named "Israel." What a blessing that Daystar broadcasts into all of Israel with the love of God! Be sure to send in your prayer requests if you would like for us to place your name and your loved ones into the cracks of the "Wailing Wall" when we visit in June. Of course, we are always available to pray for you via our toll free number 1-800-329-0029, or email your prayer requests

to daystar.com and click on "prayer." Thank you for your prayers and support!

Recently on Marcus & Joni, we gave you, our partners, the opportunity to join with us in supporting the amazing ministry of the Irene Gleeson Foundation through a \$100,000 matching challenge, and the response was tremendous. Through their work in Northern

Uganda, IGF has helped change the children, including preventing the lives of thousands upon thousands through feeding programs, schools, to child, as well as assisting in the evangelism and more. Among the many outreaches they operate, IGF runs multiple schools, helps support needs of Northern Ugandans for child-headed homes, has founded an AIDS hospice and continues to birth new visionary projects that are making a brighter future for the nation of Uganda.

And the gift you've given is already being used to help promote the health of Ugandan mothers and

transmission of HIV from parent construction of a four-story hospital that will minister to the medical generations.

Thank you partners! Your love is changing the world!

I see in David's Psalm a passageway to finding the presence of God, and how it has an unavoidable impact on every level of one's spirituality. David's soul "...thirsted for God." Isn't digging wells of worship and service a better alternative to our human strivings? David knew that genuine intimacy with God ultimately bursts open the dam of lack, ushering in times of refreshing. There is a desire in the human heart

best described as 'cravings of an inner satisfaction and wholeness.' How wonderful the creativity of God having made us unable to find rest or be satisfied with earthly possessions, or status. It is the price paid for our pilgrimage in this life. For us to find fulfillment, we must become smaller in soul as John the Baptist posed it. Whoever is satisfied in this life with what surrender, is "the pathway for the saint." he has become or obtained, has, within his self, has reached his culminating

point in this life; he will progress no further. The genius of God, for us as his children, is that he has purposed that we become his "incarnation" -- his hand reaching, his feet going, and his love showing. Wading through the painridden jungles, the parched land of society, among those in need of Christ's unfailing love, in selflessness and self-
