FROM THE DESK OF **MARCUS LAMB**

Dear Partners & Friends,

2013 is going to be a very good year for all of God's children, who are led by the Holy Spirit and walk in obedience to the Lord!

It is so important that we start off this **new year** right and do what God wants us to do. So I want to encourage you to be faithful in church attendance, tithing & your pledges to Daystar.

Here are some great things that have happened at your Daystar since I wrote you last:

---Daystar launched to 54 million mobile phones in Africa! Africa has the highest percentage of mobile TV users in the world. MTN launched 20 TV channels, and the only Christian channel was your Daystar! There are 43 million users in Nigeria and 11 million in Ghana, for a total of 54 million!!!

---Daystar launched on Comcast Digital Cable in San Jose & San Mateo, California on ch. 234. That is in the famous Silicon Valley!

---Daystar upgraded its TV stations to digital in Charlotte, North Carolina – ch. 25, Huntsville, Alabama – ch. 34, and Gainesville, Georgia – ch. 15

---Fox News did a one-hour special called "Doomsday 2012." They interviewed me at Daystar for it, and went to Jerusalem and took video of our Jerusalem TV studio and live camera pointed at Jerusalem. They aired it eight times in November. It was so popular that they aired it for the ninth time in December!

---Pastor Rod Parsley chose to air his annual prayer cloth service live on Daystar.

---Daystar gave tens of thousands of dollars to the typhoon victims in the Philippines.

---I preached for Pastor John Hagee at the great Cornerstone Church in San Antonio, Texas!

We are making a special offer of the five sessions of the recent **Refreshing Times Conference** on DVD for only \$40 plus \$5 shipping and handling. That is **Bishop T.D. Jakes, Pastor John Hagee, Pastor Jentezen Franklin, John Paul Jackson, John Gray and The Daystar Singers.**

Joni & I and the Daystar Singers are going to **Israel** the first week of June 2013. I want you to go with us! (Contact us for a free brochure.)

Please be faithful to your pledges so we can get the **Holocaust survivors** into the **Daystar House of Hope**. (This is costing several million dollars, so we really need your help!!!)

Yours For Christian Television,

P.S. This year, please add Joni & me and Daystar to your daily prayers!

TESTIMONIES
from
AROUND THE WORLD

"Hello. I just want to say that I really enjoy watching Daystar here in New Zealand. I really enjoy waking up each morning to 'Celebration' with the live music and great selection of guests. I think Marcus and Joni do a great job and have a lot of humility in the way they talk and respond to questions. I have also seen the fruit of giving to Daystar, and have been blessed in my finances over the last six months more than any other time in my life. God bless and keep up the good work serving our Lord Jesus Christ." – Ben

*I just wanted
to share...*

It's a new year, and with a new year comes new ideas, promises and resolutions. This past year, Marcus and I celebrated 30 years of marriage. It's hard to believe that time has passed by so quickly. We also celebrated the birth of our first grandchild, Israel. **As we look ahead to 2013, it's important for us to remember all that God has done for us and surrender to what He has for us in this new year.** Many of you have read my book, *Surrender All*, but if you haven't, I talk about that very important word "surrender." When we surrender all that we have to the Lord - our heart, our gifts, our will - that's when real purpose begins in our lives.

Surrender is a daily commitment where we ask, "Lord, what is your plan for today?" Marcus and I learned this early on in our ministry. Yes, there will be challenges and times when you don't understand what God is up to, but it's through daily surrender that God is allowed to move in our lives in supernatural ways. **Make a resolution in 2013 to listen to the Holy Spirit and fulfill the purpose God has for you.** It's going to be a great year for His glory!

One of the great things about donating to Daystar is that your gift enables us to reach out to those less fortunate. Your contributions consistently touch hurting people around the world.

On the December 3 "Celebration," Phillip Cameron joined Marcus and Joni in the studio. His ministry outreach, Stella's House, is making

a huge difference in the small European country of Moldova. When Moldovan orphan girls age out of their orphanages, they often find themselves alone, destitute and hopeless. **Stella's House provides them with a warm home, education and, most importantly, the love of Jesus.** Right now, Phillip Cameron Ministries is building a new home that will house 25 more girls, but they need funding.

Thanks to you, our partners, Daystar was able to present Phillip Cameron

with a \$10,000 gift to go toward building the new Stella's House. Marcus then invited everyone watching to call in with donations for this project, and your response was overwhelming. God bless you for your faithfulness in giving!

"Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress..." James 1:27

SPOTLIGHT devotional

by Allen Bullock

Now the word of the Lord came to Jonah saying, "Arise, go to Nineveh, that great city, and cry against it..."

But Jonah had a better idea. He paid the fare and got on board a ship headed to Tarshish. At first, it probably appeared to be an ideal choice for a glamorous vacation. Doubtless the Tarshish Cruise Lines featured fine food, daily entertainment and luxury accommodations. Then, too, it was in the exact opposite direction from Nineveh. Jonah had paid the fare. Now he was about to pay the price - as we always do when we

<< Leaving Your Spiritual Legacy >> (Jonah 1:17-21)

fail to follow God's directions. God sent Jonah to minister to those dwelling in the darkness of Nineveh. We have only to look around us today to identify with the spiritual darkness that enveloped that wicked city. **The need is greater today than ever for workers in the harvest.** But when we sail off in the opposite direction from our appointed spiritual assignments, we, too, can expect to wind up falling "overboard," and spending time in the Whale's Belly Motel, sipping toxic Seaweed Smoothies. It's up to God to point us in the right direction; but we must choose to follow. Whether or

not we do will determine the legacy we leave behind for future generations. **Will we leave an enduring legacy for 2013? Will what we have done endure?** Have we distributed to others what we have received so abundantly from God's great storehouse of love? Have we applied the balm of Gilead to those who are in need - hurting and adrift in the midst of the storms of life? Or have we snuck on board a ship, headed in the opposite direction, and slipped down below to nap?
