heart for
the WORLD
THANK YOU
FOR PARTNERING WITH
DAYSTAR

MAJOR CHANGES!

Dear Partners & Friends,

By now you know we changed our fundraising name from **Sharathon** to **Heart For The World**. That name was voted #1 by you, our viewers. We wanted a name that better represented what our fundraiser was all about.

We also reduced the time from two weeks to one week so you could get back to your regular programming sooner.

There was a great response and Joni & I are so grateful. However, with just one week, we came up about **\$10 million** short of what we normally have in two weeks. As a result, our team has decided that we should do **Heart For The World** three times a year. Three times at one week is still less than two times at two weeks. So a total of three weeks a year, compared to our previous total of four weeks a year.

This will also help in case someone was gone and missed one of the weeks. And because **Daystar** continues to grow, we are constantly getting new viewers.

Most Christian TV programs ask for money in almost every program. Other than Heart For The World, **Daystar** doesn't ask for money unless it is to help others, like **Missions**. In fact, your Daystar is one of the largest givers of any ministry in the world.

***I hope you got to see the special **Marcus & Joni** program where we had **Paul Crouch Jr.** on to give him the opportunity to give a public tribute to his father, **Paul Crouch Sr. of TBN**. If not, you can go online to **Daystar.com/ondemand** and watch it on video on demand.

Again, even though we came up about **\$10 million** short on our fundraiser, I am not asking you for more money. But it does mean that Joni & I really need everyone to be **faithful** to your **Heart For The World** pledge! And if you have ever made a pledge for **Israel** since **2005**, then we need you to do your best to pay on those pledges too!!!

Mr. Israel Elisha Lamb has now gone from a baby to a toddler. He is walking everywhere! I hope you enjoy seeing him on Mondays.

Another change is that we are going to do the **Marcus & Joni** program live on Monday through Wednesday, and then have my preaching program on Thursday. And Friday's will either be the "best of" **Marcus & Joni**, "classic" **Celebration** programs, or special remote broadcasts.

Yours For Christian Television,

Marcus D. Lamb
Founder/President
Daystar Television Network

"I just wanted to share my appreciation for the dedication and passion that everyone brings to Daystar. I have really reconnected with the Lord since I started watching. My husband and I split up and I started watching Daystar and heard God tell me that He was working on us apart to bring us together. He did! God put us back together and has His hand on our every move. Three days ago, God grabbed me while watching Daystar and my husband and I started tithing and gave

our first ever offering to help people in Israel. I cannot tell you the joy we feel giving and being a part of God's great plan. We committed to the 12 months of \$58. Only hours after giving our offering, my husband was told he no longer needed to pay the \$1000 he owes on his truck and that it would only cost us \$600 for it to be paid in full! God is faithful! The blessings keep coming. We got approved for the house of our dreams that we never expected to qualify for. Then, my husband's

company had a big change in workflow and decided to cut everyone's hours. These are hours that we count on to pay the bills. He was pulled to the side and told his work ethic was appreciated and he would be the only one they would keep on the same schedule. Glory to God! Thank you Daystar for helping us reconnect with God. We needed it for our marriage, our family and our daily lives!" -Holly & Joe Hart

From Joni's
Heart...

It's hard to believe that spring is just around the corner! Springtime is one of my favorite times of the year – the flowers are blooming, the temperatures begin to rise, and everything is so fresh and new. It reminds me of the fact that we are also made new and given a fresh start in Christ. 2 Corinthians 5:17 says, "Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new."

It's easy to get caught up in our failures, shortcomings, and disappointments, thinking that nothing

about our situation will ever change. However, when we surrender our lives to Christ, we are promised a fresh start. **We are given a second chance and no longer have to live underneath the weight of our past mistakes, but are transformed into new creations through the power and love of Christ.**

Are you feeling spiritually dry in this season? Take a moment to ask the Lord to renew your spirit with his unfailing love. It's never too late to begin again.

EXCITING THINGS HAVE BEEN HAPPENING AT DAYSTAR, particularly on a global level! Recently, we were approached by Cable Thai Holding (CTH), the main cable company in Thailand, with a request to

air Daystar across the entire nation of Thailand. We agreed to this generous offer, and are pleased to announce that Daystar is now live throughout all of Thailand!

What's more, Thailand is a predominantly Buddhist nation, with less than 1% of the population claiming Christianity as their religion. What an amazing

opportunity to spread the Gospel to a largely unreached corner of the Earth!

None of this would be possible without the generosity and faithful support of our beloved partners. Thank you so much for all you do – you are truly making a difference for the kingdom.

SPOTLIGHT
devotional

by Alan Bullock

They stand on the bustling street corners from Los Angeles to New York City, and all places in between. They're found from the slums of Calcutta to the fine houses in exclusive neighborhoods in America. What do all these people and untold millions like them have in common? Those without the Lord are in need of HOPE. The person diagnosed with cancer needs hope. The soldier on the battle field fighting for America's freedom needs hope. Genuine HOPE which leads to a new life can ONLY come from a relationship with Christ (Jn.

<< God's Path of Hope >>

"For in this hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees? But if we hope for what we do not see, we wait for it with patience." Romans 8:24-25

6:40). The path of hope leads us to the foot of the cross, to a deeper union with Christ. His blood speaks louder than wishful uncertainty. Even in the midst of our spiritual battles, HOPE connects us to the Father's extraordinary fruit and gifts which are granted to the church for the sake of manifesting the gratuitous gift of hope to all who are in need of it (Heb. 6:19). Hope is the blueprint from which faith works. Hope in God helps us bypass the anxiety of the unexpected, and the cold disease of human secularism that seeks to suffocate our relationship with God. By pressing

into a deeper relationship with Christ, we can press forward hopefully and joyfully into the horizon of tomorrow experiencing a renewed sense of calm and faith (Jn. 10:10). My friend, hope cannot be traveled to, earned, owned or consumed. It results from the spiritual experience of living a life dedicated to serving the Lord. Hope without servanthood is like a fish hook without bait. Hope is the Christian's living, daring, confident assurance that God is always there for us (Jer. 29:11).

EXPERIENCE DAYSTAR IN **HD**

Thanks to the generous donations from our partners, Daystar was able to make several million dollars worth of advancements and upgrades to our equipment in order to provide the best possible signal to our viewers around the world.

Beginning in March, Daystar will be available in HD on select platforms, beginning with our

apps and web videos, and progressing to other platforms in the near future.

We are so excited about these new advancements, and look forward to finding new ways to continually improve our technology. And, of course, none of this would be possible without our partners. Thank you partners – your donations are truly making a difference for the kingdom!
