We will not televise this live so you need to be there in person! (Life Changing!!!)

November is the month of **Thanksgiving** in America. I am so thankful for the grace of God in my life and His love and kindness to me. I am so thankful for my great wife, Joni, and our awesome kids: Jonathan, Rachel, & Rebecca, and for our daugther-in-law Suzy, and our first grandchild: **Mr. Israel Elisha Lamb!**

And Joni & I are very thankful for our **Partners** who stand with us and Daystar. "**Partners make** it **possible!**"

We are seeing amazing answers to prayer here at Daystar. If you have a prayer need for yourself, or your family, please send it in with your pledge this month. We will pray and God will answer! Joni & I will believe with you...

Did you get to see the special program that Joni did for my **40th anniversary in ministry** and our **30th anniversary in television?** It was a complete surprise to me. Joni & our production team did such an excellent job. If you didn't see it, I hope you will go to www.daystar.com and watch the Video On Demand of that program. The date was October 14, 2013.

I am asking you to continue to be faithful to your pledge that you made to God through Daystar. Let's finish this year strong. I know the Lord will bless you greatly for doing so.

Yours For Christian Television,

Marcus D. Lamb Founder/President

DAYSTAR GIVES TO MISSIONARIES IN CHINA WITH THE HELP OF OUR PARTNERS!

Marcus & Joni Lamb with Dennis & Kathy Balcombe

China was a country long closed off to Christianity, but recently missionaries have made their way across the borders, reaching those who would otherwise have been unreachable. Dennis Balcombe and his wife, Kathy, were among some of the first American missionaries

to make the dangerous trek into China, and have been ministering to the Chinese people since 1969. They started Revival Christian Church, and over the years the congregation has grown to over 800 believers. Recently **Dennis and Kathy Balcombe** were guests on "Marcus and Joni," and were able to share some of their stories from China with our partners and viewers around the world.

At the end of the live show, Daystar issued a \$20,000 matching challenge, and you our partners and viewers – rose to the occasion. The challenge was met, and we were able to present them with a \$20,000 check immediately, and will send the rest as it is received.

Thank you to all our partners who participated and pledged towards Revival Chinese *Ministries International – your* generous donations have helped spread the Gospel of the Lord Jesus throughout China!

Thankfulness is God's design for coping with life's stresses, and is a way of honoring God (Ps. 50:23). Expressing gratitude is worship, whether structured or unstructured, public or private; this form of worship marshals healthy emotions that strengthen our spiritual immune system, provide a buffer to stress, and fend off the enemy's attacks (Col. The Apostle Paul put it this way, "Be thankful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus" (1 Thes. 5:16-18). Being thankful leaves us feeling emotionally stronger, and is thus congruent with our experiencing the Lord's liberating presence.
