INCREASE DOMESTIC DRILLING TO REDUCE GAS PRICES

Ease restrictions on domestic oil and gas production to reduce the price of gas, food, housing and goods and to protect energy jobs.

HIGH GAS PRICES ARE DRIVEN BY CLIMATE POLICIES

Rushing the transition from affordable fossil fuels to more expensive renewables is driving up prices of energy, gas and housing.

SOFT-ON-CRIME POLICIES ARE CAUSING RECORD CRIME

Soft-on-crime policies such as soft sentences, failure to prosecute, legalizing drug possession, and ending cash bail, put communities at risk for increased crime.

ELECTION INTEGRITY: PHOTO ID

Require photo identification to ensure fair and secure elections.

ELECTION INTEGRITY: PROOF OF CITIZENSHIP FOR ID

Require proof of citizenship to apply for a state-issued driver's license or photo ID.

PARENTS' RIGHTS: STOP THE SEXUALIZATION OF CHILDREN

Parents have the ultimate authority and must have a voice in educational matters. Remove gender/sexual ideology from the classroom.

PARENTS' RIGHTS: SCHOOL CHOICE

Children should not be forced to stay in underperforming schools. Empower parents to choose the best educational options.

SCHOOLS: BAN CRITICAL RACE THEORY

CRT, based in Marxism, rejects God, family, and equality. It pits race against race, promotes division, and reverses decades of Civil Rights progress.

ECONOMY: GOVERNMENT LOCKDOWNS ARE HARMFUL

Government exceeded its authority by forcing lockdowns.

LATE-TERM ABORTION

A woman has a right to abortion up to the moment before full-term birth.

SELF-DEFENSE: GUN RIGHTS

Gun bans and gun-seizure laws hurt law-abiding citizens. Criminals do not abide by laws. It is dangerous to empower a government agency to disarm law-abiding citizens ("Red Flag Laws").
