MARCUS LAMB

*"My brother was very sick in the hospital, which was especially upsetting because I knew he didn't have a relationship with Jesus. I called Daystar for prayer in the hope that the Lord would open a door for me to share the Gospel with him. Today, I am praising God because I was able to lead my brother to Christ just before he peacefully passed! Thank you, Daystar!"*

Lauren from Ohio

# GOD'S PLAN & A GLORIOUS FUTURE

WITH DR. BILL WINSTON

**Q: Dr. Winston, many know you as a pastor through your program on Daystar, but you were a decorated fighter pilot serving in the U.S. Air Force prior to entering the ministry. Tell us about that.**

**A:** I served for six years as a fighter pilot in the United States Air Force and flew over 200 missions during the Vietnam War. I completed my military service at the rank of Captain. My military training taught me many things, including discipline and teamwork, and to seek excellence in whatever you do.

My flying abilities earned me the Distinguished Flying Cross, the Air Medal for performance in combat, and the Squadron Top Gun Award.

**Q: What role did the historic accomplishments of the Tuskegee Airmen play in your decision to become a pilot?**

**A:** They greatly influenced my decision. When I was growing up, most of Tuskegee centered around the military. We saw black aviators, like Chappie James, living in our community. I had the privilege of knowing many of the legendary Tuskegee Airmen because their sons and daughters were my classmates in elementary school. These men were larger-than-life heroes.

I remember my first airplane ride was with Mr. Charles A. Anderson, affectionately known as "Chief Anderson," who was an instructor for the Tuskegee Airmen and was also the pilot who flew Eleanor Roosevelt for an hour-long flight when she visited Tuskegee Institute (now Tuskegee University) in 1941. After my first plane ride, I knew I was destined to fly.

**Q: In 1985, you left a successful career at IBM to go into full-time ministry. Describe why you felt led to make that decision.**

**A:** I had planned to make a career at IBM, to one day become president of one of its divisions. I had done quite well at the company. But God had other plans. I had a call on my life. I knew God had called me into full-time ministry, but I did not have the strength, at first, to step out and leave my good-paying job at IBM. Oh, I had tried several times, but until I could SEE my future, I was stuck in my present. Then, I heard a man of God teach on seedtime and harvest. Out of that, God gave me a seed (scripture), Mark 10:29-30. I began meditating on this scripture and in a very short time, Pow! Light came! I saw myself preaching the Gospel to 10,000 people-not going broke. I saw myself leaving corporate and serving God full-time in a successful ministry. I saw what I call "a glorious future" and was able to let go of IBM.

**Q: You're known for having an uncompromising commitment to the Word of God. How has the Bible influenced your life and ministry?**

**A:** The Bible helped me to clearly see two kingdoms and my responsibility to bring people out of that demonic kingdom and bring them into the kingdom of God. It also imparts a revelation of God's plan to me so that I can develop the faith to overcome anything to the contrary.

**Q: Share a brief personal story where you've applied the Word of God in faith and seen the Lord work supernaturally in your life.**

**A:** In the early days of our ministry, when the church was located in a very rough part of Chicago, a woman came rushing into the church while some of us were praying before service. She asked to see the pastor because she had a desperate need.

I said, "I'm the pastor. How can I help you?" She explained that drug dealers had taken over the street where she lived, selling drugs most of the day and night. Now all the residents were terrorized and afraid to send their kids out to play. I told her to join the prayer circle and let's pray. I didn't know how or what to pray, so I prayed in the spirit (tongues), which the Bible calls "speaking mysteries" (1 Corinthians 14:2). Then I prayed that I might interpret (1 Corinthians 14:13) and, by faith, I received the answer.

The Lord spoke to me saying, "Take this bottle of anointing oil, bless it, and tell the woman to pour it down the middle of her street." She gladly received the instructions and carried them out to the letter. A few days later, she came back and testified. She said the drug dealers came back the next day, stayed for about an hour, then left and never came back. Praise God!

**Q: As believers, what are some practical ways we can connect with the power of God's Word to experience victory in our everyday lives?**

**A:** First, we must understand that for every problem we have, there is a "Word" solution, which is a scripture in the Bible that is the source of the faith you will need to be delivered. Second, we must know that faith is now and is based on something that God has already done, not going to do. And third, God's Word is the only source of faith. Acting on God's Word in faith makes all things possible.

What happens when you obey God against all odds?

# TIMELESS Hymns OF Faith

There is something unique and special about worshipping God that enables us to encounter Him like nothing else can. It's an intimate, outward expression of our love for the Father, giving us access to His supernatural strength in our everyday lives!

Timeless Hymns of Faith, a powerful worship album by Joni Lamb and the Daystar Singers and Band, is a collection of classic songs that will **revive, refresh, and recharge your soul.** Be empowered to win every battle as you encounter the life-changing presence of God through 11 enduring tracks including "It Is Well With My Soul," "Great Is Thy Faithfulness," "Blessed Assurance," "Nothing But The Blood," and many more!

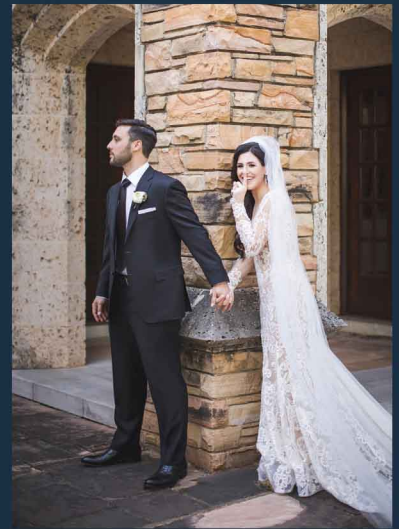

Now you can **experience unspeakable joy and indescribable peace** when you get this incredible CD inspired by God's unfailing love. Simply make a special donation to Daystar using the enclosed form, and we'll send you Timeless Hymns of Faith as our way of saying thank you!

Through giving, you'll be helping Daystar take the Gospel around the world as you **discover the overcoming power of praise!** Start living in victory today by walking in the truth of God's Word and boldly declaring your total dependence on Him through worship. We believe that as you listen to these classic songs, you will fix your eyes on Jesus, live in His presence, and experience breakthrough strength in your life every day!

## THE Weiss CHOICE

Our baby girl is married! Rebecca is now officially "Mrs. Weiss" after a stunning ceremony filled with Jewish traditions like blowing the shofar, a chuppah, and breaking the glass.

We feel so blessed to welcome Jonathan into our family and can't wait to share the wedding with you! It will air August 28th on Daystar.

We're so grateful for your prayers and support of Jonathan and Rebecca, and I hope you enjoy seeing some of our favorite pictures of this beautiful couple!

Joni

July 2018

Dear Partners & Friends,

Joni & I, the Lamb family, and the entire Daystar Team around the world love and appreciate you very much! What a blessing you are as we partner together to take the "Good News" of the Gospel around the world into every country, including **Israel!**

**Thank you, thank you, thank you!!!**

**Miss Rebecca Lamb** married **Mr. Jonathan Weiss** on May 18, 2018. It looked like a Fairy Tale Wedding, yet had so many spiritual elements and a great anointing of the Holy Spirit! I can't wait for you to see it!

**Pastor Jimmy Evans** officiated it. **Rabbi Jonathan Cahn** shared the prophetic significance of the date and season of May 18. Jonathan's Dad, Myles Weiss, shared the meaning behind some of the Jewish segments. I walked Rebecca down the aisle, shared a video about her, and explained that the **chuppah** is the canopy that the Bride & Groom stand under, which represents the Tabernacle of God from the Old Testament that the presence of the Lord dwelled in. And I explained that the **Ketubah** was a written marriage agreement that the couple would sign. Jonathan & Rebecca both signed it.

The Wedding will be shown on Daystar on: **August 28 at 12pm, 8:30pm, & 1am ET.**

Your Daystar continues to grow. Daystar has recently launched in the following places:

- **Armstrong Cable in Pennsylvania, Ohio, & Maryland**
- **FTC Cable in South Carolina**
- **Alternative Networks in the country of Belize!**
- **Trico Cable in Tobago**
- **BEAM TV in the Philippines**

What a great time I had ministering for **Pastor Rob Ketterling** at **River Valley Church in Minneapolis, Minnesota.** And it was great ministering for **Pastor Kevin McGuinness** at **Jesus Is Lord Church in Long Island, New York.**

Joni & I, and the entire Lamb Family, are so appreciative of your faithful support. "Together" we are doing great things for God!

I hope you enjoyed **summer Heart for the World.** It goes on through **July 2.**

Yours For Christian Television,

Marcus D. Lamb  
Founder & President, Daystar Television Network

P.S. Remember to enclose your **Prayer Requests!**

"I've struggled with smoking since I was a teenager. I love God with all my heart, but I didn't know how to get free of this addiction. About a year ago, I discovered Daystar and began watching every day. I soon realized that my desire to smoke was almost non-existent, and I've now been a non-smoker for six months! When people ask how I quit, I tell them God worked supernaturally through Daystar!"
