Humbling Invitations & A Busy Season
MARCUS LAMB

"I knew my life was heading in the wrong direction, but I felt trapped and had no idea how to change. After watching Joni Table Talk, I realized only Jesus could set me free. I asked Him to forgive me and come into my heart, which has made me feel like a new man! Thank you, Daystar!"

HOPE OVERCOMING HATE

WITH AT BOSHOF

Q: Pastor At, you grew up in the Apartheid Era of South Africa. Describe what life was like during that difficult time.

A: Growing up in an Apartheid South Africa is something difficult for people to imagine today—a country totally segregated by skin color, where men taken from their families to work in the mines, taught from a young age that black people were inferior and different to you and that they were the enemy, and going to school once a week in military uniform being indoctrinated that you are fighting communism! It really was a terrible time for our country, and we are still dealing with the inequalities and injustices of our past!

Q: When you surrendered your heart to Christ, you still had a racist mindset until He revealed the truth, transforming your life. Tell us about that journey.

A: I was already a pastor of the first church I planted in 1988! It was a multi-racial church in a small farming community in Apartheid South Africa! We had just built a beautiful thatch church building, and it was the day we were dedicating the building. Everybody of importance showed up that day, prominent farmers and businessmen! About 10 minutes before the service started, a red beat-up truck stopped right in front of the main entrance and out climbed 16 black people from the disadvantaged community! I thought, "Oh no. Why today?" I immediately heard the voice of God: "If these were white new people, you would be overjoyed!" I repented to God, realizing I STILL SAW PEOPLE DIFFERENTLY, even though I was praying in tongues! The first thing I did when I stood up to open the service was to repent to the church, making a commitment that CRC will be a place where everybody is welcome in spite of culture, social status, education, age, and color! The rest is history!

Q: In 1986, God called you into full-time ministry. Describe how He revealed that plan for your life and the impact it had on you.

A: When I got saved, I got radically saved! That was just before I went into compulsory military service for two years. I had this fire burning in my soul that made me cry out to God every day: "Use me, God. If I can't work for You, I don't want to exist!" I got involved serving in my local church and as I did, the call became stronger. After the Army, I went to study law at university. I also went to Bible School during this time. This is when God's voice came to me: "What are you doing here? I have called you to preach the Gospel!" I immediately stopped my studies and knew it was time to answer His call!

Q: Can you describe the vision God gave you that impacted you in a profound way?

A: I was in a revival meeting in Canada, searching for more of God! One night after I was prayed for, I was in the Spirit and saw a vision of a huge valley filled with darkness and full of people, all walking in one direction - no life in them! At the end of the valley, I saw two big gates and I heard a voice echoing over the valley, "The gate is too narrow!!!" I realized I was seeing the gates of hell with multitudes pressing into it!

That was the end of the vision, and needless to say my spirit was very unsettled! I could not sleep that night. The next night, I went back to the meeting and was in the SPIRIT AGAIN! This time, I was lifted higher and saw a big rock protruding from the one cliff's edge. Upon it, I saw a huge, magnificent male lion stand. He looked over the valley, threw His head back and roared! It was like

nothing I'd ever heard! As He roared, I saw light shine on the valley and multitudes of people began to turn away from those gates! Instantly, I knew that this was my calling—to allow God to roar through me and to plunder hell and populate heaven! I shared this vision with a friend who took me to Joel 3:9-16 to show me what I saw was in the Bible.

Q: As the Senior Pastor of Christian Revival Church, with thousands of

members, describe how you've seen God's faithfulness over the years.

A: Since we started in Ladybrand with 6 members in 1988, to now having more than 90 churches and 120,000 members in RSA with churches in other African countries, Europe, Asia, and Australia, I have seen that if you lift up the name of Jesus unashamedly, He will draw people from all walks of life! God has exceeded my wildest expectation! All I wanted to do was to serve God and tell people about Him. I realize I have little to do with what He is doing; I am just trying my best and thanking God every day that He is using me.

Q: As the future unfolds, what is your greatest prayer for your nation as you work to heal the wounds of the past and move forward in peace?

A: We pray for peace in RSA—that God will defuse every plan of the devil and use this country to be a blessing to Africa and the nations of the world. We pray for prosperity for all the people in this country. We pray for true reconciliation between all the peoples of RSA. We pray for wisdom for our government in this time, especially on land reform, economic transformation, and job creation! We pray that God will pour out His Spirit and heal our land.

“ALL I WANTED
TO DO WAS TO
SERVE GOD AND
TELL PEOPLE
ABOUT HIM.”

EXPLORING THE

Supernatural World

What if I told you that an unseen world exists all around you? Filled with angels and demons, this invisible reality is a battlefield where an ongoing war wages for the heart of humanity.

With so much fascination focused on the supernatural in our culture, I felt led to dive deeper into this topic on *Joni Table Talk* this month. As believers, it's critical we get a biblical perspective about spiritual beings and the role they play in heaven and on earth, which is why we'll hear about it from two of my favorite guests.

October 24-26, the late John Paul Jackson and former Satanist, John Ramirez, will dispel many of the misconceptions about the supernatural world as they share powerful stories you don't want to miss. From encounters with angels and demons to the seductive lure of witchcraft and the occult, they'll separate fact from fiction to strengthen your faith!

Uncover the truth about the forces of darkness as you discover how to boldly engage in spiritual warfare and protect your family. My prayer is that you'll tune in for these special *Joni Table Talk* programs and find answers and insight, empowering you to break free from demonic influences and live with divine purpose!

PRAY FOR RAIN

This year, on March 24, we held a prayer meeting for rain in Cape Town, the only city in the world without water. We did it in the most dangerous place on the continent, Mitchells Plain, where up to nine men a day get murdered. We saw over 165,000 people kneeling in the sand dunes and repenting of their sins and the sins of the city. It is now pouring with rain in Cape Town. There is no more water shortage in that city.

We are now endeavoring the biggest of all prayer meetings. We will be praying for the government, the people, and the elections that are coming up next year. We will be praying for peace, for the end of corruption, immorality, and violence. The Lord Jesus says to us very clearly in James 5:16: "The effective, fervent prayer of a righteous man avails much." We are not righteous in our own strength, but in the Lord Jesus Christ. We will be coming together - every denomination (which is a miracle) - from the Roman Catholic, to the Charismatic, to the Pentecostal.

We will be coming together in one place, at one time, in the open-air. We have acquired about one thousand hectares, which is about 2,471 acres, and we will not be charging any tickets or taking a collection. We will be praying and asking God for our income and to pay for our debt as we do every time, and we are believing for nothing less than a complete turnaround in this nation!

Never before have we been so challenged. Never before have we been so excited. Never before have we called upon the Lord Jesus Christ as we are doing now, and He will do it as He has done it every single time.

Dear Partners & Friends,

Joni & I had a great time this month in **South Africa!** We ministered in the great **Christian Revival Church** in **Bloemfontaine & Pretoria, South Africa for Pastor At Boshoff**. And we ministered in the great **3C Church** in **Pretoria, South Africa for Pastor Bert Pretorius**.

The people of South Africa are so warm and friendly. And they are watching Daystar by the thousands!

Also, I preached for **Bishop Keith Butler at Word of Faith Church in Detroit, Michigan**.

I preached for **Pastors John & Matthew Hagee at Cornerstone Church in San Antonio, Texas**. (It was my fourth time!)

And I preached for **Pastors David & Nicole Crank at Faith Church in St. Louis, Missouri**. All of these services will be shown on Daystar in a few weeks. So please watch!

Fall Heart for the World starts on Sunday night, October 28, with **Bishop T. D. Jakes**. Then we have **Pastor Jentezen Franklin** on Monday night. Plus, many other great ministers of the Gospel. *Heart for the World* will continue until Monday, **November 5**.

I hope you will do like Jesus said to do, **"Watch and Pray!"**

There are a lot of birthdays for the Lamb Family in the month of October: **Suzu, Myself, Israel, & Jonathan Lamb!**

Did you get to watch **Rebecca & Jonathan Weiss's** Wedding Special? To me, it was so anointed! And it highlighted both Christian & Jewish elements that made it so interesting. If you missed it, go to Daystar.com and watch it on VOD (Video on Demand).

Joni & I received two great honors in the last few weeks. We were invited to the **White House** for the second time. And then we were invited to the **United Nations** with the Secretary General, the Ambassador from Israel to America, and about 70 other Ambassadors. Regardless of your politics, these were humbling invitations and were on your behalf. They were because of Daystar, not because of Joni & me.

Dr. Jack & Rexella Van Impe are back on Daystar! They are on **Mondays at 6:30pm ET**.

Thank you for your faithful support of Daystar. You are making a real difference!!!

Yours For Christian Television,

"I've been so worried about my son. He's been in and out of trouble for years, but watching Daystar has given me hope and peace. Instead of being anxious, I decided to put my trust in Jesus. Since then, he's gotten a job and is starting to turn his life around. Your encouragement has meant so much!"
