Prayer Matters at Daystar  
**MARCUS LAMB**

*"I can't tell you how many days I've tuned in to Daystar with a want, a need, or a heavy heart. Each time, I've been met by a person who spoke truth directly to my situation, replacing anxiety with peace that passes all understanding. If it weren't for your encouraging programs, my life would be so much harder. Thank you for everything you do!"*

# GRACE, LOVE, & TOTAL RESTORATION

WITH JIM BAKKER

**Q: As a pioneer in Christian television, what thoughts come to mind when you consider how far it's come in the decades since you started?**

**A:** Christian television started in Portsmouth, Virginia with one black and white camera. In that small studio for almost 8 years, I was the first host of the "700 Club." In those early days, other secular broadcasters said, "Who watches Christian Television?" I would reply, "Someday people will say, 'Who doesn't watch Christian television?' I have lived to see that day.

Today, Christian Television is going around the world 24 hours a day, fulfilling scripture that the Gospel of the Kingdom will be preached in all the world as a witness to all nations, and then the end will come!

**Q: In the early years of media ministry, you revolutionized the way the Gospel was presented through "The PTL Club." Describe how God guided you to innovate and reach more people with the message of Christ.**

**A:** All the ministries we helped pioneer over the years are still on the air preaching the Gospel of Jesus Christ! In the early days of Christian television, we went from one TV station to syndication of daily programs, then to satellites around the world. Christian television was born through an outpouring of the Holy Spirit. Thousands and then millions were saved! For the first time in history, people were healed watching TV!

**Q: Today, you co-host "The Jim Bakker Show" with your wife, Lori. What can new viewers that tune in on Daystar expect to see?**

**A:** My wife, Lori, and I are honored to be on Daystar with "The Jim Bakker Show" where our guests are mainly prophets and those with a message to the Church. We have been called to prepare the Church for the Revelation days we are living in.

**Q: As an expert on the book of Revelation, more and more people are turning to you for insight into biblical prophecy. What inspired your study of scripture pointing to the last days?**

**A:** During my years in prison, I studied the book of Revelation one word at a time! God spoke to me that I was to help prepare the Church for the coming of Jesus Christ, His Son. We are living in the book of Revelation days!

**Q: Briefly describe how certain global events now making headlines are aligning with scripture to fulfill prophecy.**

**A:** Israel has become a state again and just celebrated its 70th birthday. Political warfare and war between good and evil is one of the dramatic signs that we are living in the last days. Almost all of Matthew 24 has been fulfilled concerning the events Jesus said would usher in His return.

**Q: Why is it so important for believers to pay attention to the "signs of the times" and remain informed about the world around us?**

**A:** It's important for believers to watch the signs of the time and be informed about what's going on around us so that day - the coming of the Lord - will not come upon us unaware as the Gospel of Luke boldly declares, "Take heed to yourselves, lest your hearts become burdened by excessiveness and drunkenness and anxieties of life, and that Day comes on you unexpectedly."

**Q: As you continue your study of scripture, can you give our readers some insight on what the Lord is showing you?**

**A:** The more I study the Word, the more I'm convinced we are in the last days. The four horsemen of the apocalypse in Revelation 6 are out of the barn. The first horse, I believe, is the spirit of the Antichrist. And that horse is riding around the world as the spirit of division and confusion. As Franklin Graham said to me as his father, Billy Graham, lay in state at his childhood home, "God told me that at the death of my father, all hell would break

loose and Christian leaders need to STAND UP NOW!"

**Q: How are you and Lori sharing the power of God's redeeming love with the world through your ministry?**

**A:** One of the ways we are able to share the love of God is through Lori's House, which is a home for girls saving their babies from abortion. Lori and I are both broken vessels with a message that if God can restore us, He can restore anyone!

**Q: Why is it so important to train up the next generation to reach the world through Christian media?**

**A:** I believe Christian media is more important now than at any time in history. The Gospel of the Kingdom has to be preached to all nations, and then the end will come. Without television, satellites and all the internet media, the fulfillment of scripture would almost be impossible. The spirit of Antichrist can be overcome with the confidence John gave us in Revelation 12:11, which says, "They overcame him by the blood of the Lamb and by the word of their testimony and they loved not their lives unto the death." With God, we win!

**"I BELIEVE  
CHRISTIAN  
MEDIA IS MORE  
IMPORTANT NOW  
THAN AT ANY TIME  
IN HISTORY."**

## SOUTH AFRICA, SAFARIS & A SEASON OF THANKSGIVING

Recently, the Lamb Family traveled to South Africa, and our time there was an incredible blessing filled with adventure!

During our trip, Marcus had the honor of preaching multiple services for Pastors At and Nyretta Boshoff at Christian Revival Church, as well as serving as a guest speaker for Dreamweek Conference and preaching a service for Pastor Bert Pretorius at 3C Church.

While we definitely experienced a powerful time of ministry, our four-day safari at Kruger National Park is a memory I'll cherish forever. With all three kids and their spouses in tow, we made our way through the stunning terrain of South Africa to have close encounters with giraffe, zebras, rhinos, hyenas and so much more!

In a season of thanksgiving, I'm grateful for the beauty of God's creation and the joy of sharing it with people that bring so much love and laughter into my life. I hope you enjoy seeing some of my favorite moments!

## STAYING ON THAT DIET! BY DR. DON COLBERT

Dieting can be a challenge in any situation, but it's especially trying during holidays like Thanksgiving. It might feel like temptation is everywhere: the chocolates, the candies, and the rich dishes and desserts. But don't worry! Eating low-carb at Thanksgiving is completely possible—it just takes some planning and reminding yourself of your convictions.

Here are some tips for sticking with your low-carb lifestyle during Thanksgiving, plus some of the best keto recipes to bring.

1. PLAN AHEAD WITH MEALS AND SNACKS
2. BRING YOUR OWN HEALTHY KETO DESSERTS
3. FOCUS ON HEALTHY FAT AND TAKE EXOGENOUS KETONES
4. ASK FOR GUIDANCE AND REMEMBER THE REASON FOR THE SEASON

Lastly, give thanks for the abundance before you while spending time with your family or friends. With this mindset, you won't feel like you're missing a thing!

## Offering of Thanksgiving

What kind of impact can gratitude have on your life? In 1 Thessalonians, Paul writes, "Be thankful in all circumstances, for this is God's will."

If you're struggling through difficult days, gratitude might seem hard to imagine. We often want to withhold thankfulness until our situation changes for the better. But when you give thanks to God during tough times, it transforms your perspective and opens the door to endless possibility. That's because there's power in gratitude, and when we show it by helping others, breakthrough happens!

So what are you thankful for? Count your blessings and allow God's love to flow through you by making a donation to Daystar using the enclosed form. By giving, you are releasing gratitude and taking the life-changing message of Christ around the globe, impacting millions!

Keep in mind no matter what you're facing, God sees you and wants to partner with you to do a great work that transforms lives, including yours. Through your support, you're preparing your heart to receive everything the Lord has in store for you!

So how's your gratitude going? Be thankful in every situation, knowing God loves you and is working for your good. Praise Him today and let faith arise as you sow seeds of thankfulness and reap a harvest of blessing in your life!
