FROM THE DESK OF MARCUS LAMB

“FINISH STRONG!”

Dear Partners & Friends,

The Lord laid this thought on my heart for you while praying this morning: **FINISH STRONG!**

We are nearing the end of 2012. I don't know what you have been through this year. The Devil may have attacked you or your family. He may have attacked your finances, your health, your marriage, your children, or your job. He may have even attacked your thoughts and emotions.

But God still loves you and has a great plan for you! He wants you to **finish strong!**

So, determine today that you are going to finish strong in every area of your life. I am going to join my faith with yours and believe God for His very best for you and your family!

Pray for the President! Whether you voted for President Obama or not, the Bible says we are to pray for those in authority over us.

Pray for Israel! Keep your eyes on Israel over the next few months. Things are heating up. We need to stand strong with Israel like never before!

*****If you have ever pledged for **Israel** over the years, we need you to be faithful to your **Israel pledge**. If you got behind, that's ok. But if you want the **supernatural blessing** of God that is on Israel to be on you and your family, then you need to start back giving on your Israel pledge. (Just mark on your check, "Israel pledge," and we will know what to do with it.)

Our first grandchild, baby Israel, is now two months old! He looks so much like his daddy, Jonathan. Please pray for the new parents, Jonathan & Suzy. I am going to be called **Poppy** and Joni is going to be called **Noni**.

Did you watch the hour-long special on FOX News about end time prophecy? They interviewed me and asked me questions about the end times.

Your Daystar just won four more **Emmy Awards** for excellence in TV!

Joni & I want to **thank you** in advance for being faithful with your support of Daystar.

If you have a **prayer need**, make sure and send it to us so Joni & I can pray, and have the Daystar prayer team to pray.

Yours For Christian Television,

Marcus Lamb

TESTIMONIES
from
AROUND THE WORLD

"I was hospitalized for stress a few months ago. The bill was in excess of \$20,000; we do not have insurance. We filled out financial aid and prayed, asking God to take care of the amount. A few weeks later, the hospital informed us the entire amount was forgiven - zero balance. Praise God! Thank you for your prayers. God is meeting needs day by day." – Bill

What a wonderful time of the year as we celebrate the birth of our Lord and Savior, Jesus. **Christmas is a time for family gatherings, giving, receiving, Christmas carols, good food, warm fires and beautiful lights.**

Christmas is special for the Lambs this year because a new little one has been added to our family. Jonathan and Suzy have given us our first grandbaby. We celebrate the birth of little Israel Elisha Lamb, who will add to our Christmas joy.

I always encourage everyone to reach out to someone less fortunate during the holiday season. **Be sensitive to Holy Spirit and reach out to a family near you.** Our family always likes to bless a family with

gifts and food during the Christmas season. Can you imagine the difference we could make if we took a moment to notice those hurting around us?

Let's remember that we celebrate Christmas in honor of our Savior's birthday. It's not our birthday, but His. So, let's represent Him well during the Christmas season. **He is the REASON for the season... Merry Christmas!**

SPOTLIGHT
devotional
by Alan Bullock

There was a time when man's hopes were dashed against the rocks of chaos of cultures run by a Hellenistic and then a Roman society. Jesus' birth however, imparted hope into the veins of humanity, enabling man to dive beneath the surface of religion and find a real relationship with God -- quenching one's eternal thirst. Spontaneous miracles soon followed, and a glorious church was born. Today,

<< **A Season of Rediscovering the Imago Dei** >>
(Genesis 1:27; John 1:12, 14:8-11; Luke 2; Acts 2)

in our suburbia lobotomized spiritual culture, in some cases serving fast-food and fast-religion; we are in desperate need of an intimate relationship with Christ. **We need a 'hungering and thirsting' for righteousness that will bring the church to self-actualization and participation in the sacred reality of Christ's birth and life, especially His life.** God's spirit wants to ignite our churches and nation into a glorious habitation for God. During this glorious

season of Christ's birth, may each of us retrain our spiritual antennae to pick up heavens' signals for a spiritual awakening beaming from the Mount of Zion's God -Yeshua' of the Hebrew children, bringing with the Spirit's move, a rediscovery of the imago Dei - man in the image of God - and a deliverance from the molestation of spiritual growth.
