FROM THE DESK OF **MARCUS LAMB**

Dear Partner and Friend,

I was praying for all of our beloved Daystar Partners, and the Lord gave me a word for you for 2012. So, I am so excited to share it with you!

Here it is: **You can have a breakthrough in 2012!**

What happened to you in 2011? Did you experience any of the following:

- **Lost your job**
- **Got behind on your bills**
- **Major health difficulties**
- **Problems in your marriage**
- **Negative relationships with your children**
- **Failed God**
- **Depression or worry**

God knows about every aspect of your life. He knew about these problems before they ever came your way and He knows how and when these problems are going to leave!

You may remember me telling the story about the song, **“You Can Begin Again.”** I was preaching in the largest church in Western Europe. It is located in London, England. All of a sudden, out of my mouth came those words, **“You can begin again!”** Then I repeated it a second time.

Joe Ninowski, Daystar’s Music Director, was sitting in the service with his laptop computer. After hearing me say those words, the Holy Spirit gave him the song right there in the service. It was on the Daystar Singer’s CD *Begin Again*.

Here is what the Lord told me you need to do in order to see your **breakthrough** in 2012:

- 1. Develop an attitude of gratitude**
- 2. Become more of a worshiper**
- 3. Go regularly to a church that believes in the whole Bible**
- 4. Be faithful to God with your tithes and pledges**

Joni and I, and the Daystar Prayer Partners, will be praying for your **breakthrough**. So write your prayer requests on the back of the enclosed card.

With All Our Love,

Marcus D. Lamb

<< **Shalom** >>

“The LORD bless thee, and keep thee: The LORD make his face shine upon thee, and be gracious unto thee: The LORD lift up his countenance upon thee, and give thee peace.” Numbers 6:24-26

Before Christ Jesus appeared upon the earth, man lacked the help he needed to be freed from his own unique wretchedness and pain. As much as man sought after peace and fulfillment, it was as elusive as the wind, so Christ came to rescue humanity and provide a life of Shalom. Shalom is a kingdom principle which has to do with living in proper relationship with God, oneself, and those around us. Shalom

I just wanted to share...

I can hardly believe that 2012 is here! We can attest to the fact of God’s faithfulness in 2011! **It was a year of challenges, victories and prayer. Thank you for your love, prayers and support. In the midst of those who would oppose the work of God, we felt God’s presence in such a tangible way.** I think the most important lesson I have learned from this past year is that we must continually choose to love and forgive our enemies. It’s easier said than done, but we all

know that the root of bitterness and unforgiveness will literally destroy us. Throughout the year, I encountered individuals who seethed with bitterness, and it was so sad to see how it affected their very appearance and countenance. **Don’t allow the enemy to steal your joy.** Love those that use and persecute you, and remember that God loves them as much as he loves you.

I can honestly say I am entering 2012 a new creature in Christ. **Old things have passed away and all things**

have become new. I know we will still have challenges, but if we allow God to do the work of forgiveness in our heart and life, we can take those experiences and help others. Remember that our battle is not with flesh and blood but against principalities and powers of darkness. And, greater is He that is in us, than He that is in the world. Happy New Year everyone...The best is yet to come!

My Story

I worked at Father Beiting Appalachian Mission Center in KY as a warehouse manager for five years before wrecking a motorcycle on August 15, 2010. I was in bad shape. After I got out of the hospital I started watching Daystar and I have not quit. I watch your network 90% of the time.

Why I Partner with Daystar:

I have learned so much of Christ through Daystar. I really enjoy your network.

FIRST CLASS

“Daystar, I want to thank you so much for your prayers and support. Two people that I have asked you to pray for have some hope of exiting the hospital now! My sister Faye and my friend Dana are being moved to a facility with shorter waiting lists for the kidney and lung transplants they need. Thank God for this movement in their lives. Please keep them in your prayers. Thank you again and thank the mighty Lord, He is good!”
