FROM THE DESK OF **MARCUS LAMB**

Dear Partners & Friends,

I hope you saw Daystar's recent live broadcast of Joni & me, and the Daystar Singers, ministering for **Pastors Joel & Victoria Osteen** at **Lakewood Church** in Houston, Texas. (Lakewood is the largest church in America with over 40,000 people per week!) This was our fourth year in a row!

Your Daystar continues to grow nationally and internationally. We just upgraded our TV stations in **Detroit, Michigan** and **Columbia, South Carolina** from analog to digital and increased the coverage area. We also just launched on several more cable systems in the Philippines. (Your Daystar is the largest Christian TV network in the Philippines.)

A few days ago, Daystar was honored to be the first Christian TV network to get to cover **Israel's** Independence Day and their Memorial Day. (We are editing a special of these two events to show on Daystar.)

Jonathan & Suzy were just in Israel. They presented a check from Daystar in the amount of \$100,000.00 for terminally ill Israeli children. They also did a video update on Daystar's **Olive Tree Orchard** overlooking the Sea of Galilee.

June 8-9, Friday & Saturday: Joni will be the featured speaker for Pastors David & Nicole Crank's **"The Circus" Women's Conference** at Faith Church in **St. Louis, Missouri**. Thousands of women will be there! (www.FaithChurchStLouis.com) The Daystar Singers will also be there.

June 10, Sunday 10:30am: I will be preaching, and Joni & The Daystar Singers will be singing for Pastor Danny Wegman at Pathway of Life Church in Dallas, Texas. This is their 35th Anniversary Conference. (www.polc.cc)

Thank you so much for being **faithful** to your **Sharathon** pledge this month! It means so much to Joni & me. Your giving keeps Daystar growing and preaching the Gospel around the world! We love you and are continually **praying** for you & your family!!!

If you have a **prayer request**, please send it in this month and Joni & I will pray, and so will the **Daystar Prayer Team**.

Yours For Christian Television,

Marcus Lamb

TESTIMONIES

"There was a time in my life when I had trouble sleeping at night. During that time I turned on the TV and kept it on Daystar. I'm happy to say that in that time, I received that Word of God that nourished my soul. I have been healed and set free by the grace of God. Thank God for Daystar. May God bless you, Marcus & Joni." *Marie*

In just a moment's reflection one thing becomes abundantly clear—the Old Testament adequately supplied Jesus then, and the Bible (Old and New Testament) provides all men today with all the knowledge and insight necessary for a father to become a godly man, a husband, a parent, a leader-priest, a disciplinarian, and an example of righteousness. During each stage of the fathering process, he strives to have a theological (i.e., a full-orbed, spiritual understanding of God)

The 2012 Refreshing Times Conference is just around the corner.

You will be renewed in the presence of the Lord through powerful preaching, anointed worship and fellowship with other believers. We have an amazing line up of speakers. Since we have only five months

before the conference I want to highlight a speaker in each of our newsletters until then. We are so excited to have Bishop T.D. Jakes. He is a leading voice in America speaking God's Word through various avenues. Bishop Jakes is not only a creative, articulate and passionate minister of the gospel, but he is an amazing entrepreneur with an insight to visualize extraordinary ways to advance the Kingdom of God through

books, film, plays and music. He is a breath of fresh air to a world that is searching for truth because he is relevant, timely and full of godly wisdom. His message will stir your heart and bless your life. Come join me at the conference as we open our hearts to the Lord and let's be refreshed in His presence together.

My Story

Graham, North Carolina

God led me to people that could help me file for my 501(c)(3). We help people with medicine, rent, utilities and finding a home church. We provide transportation to and from jobs, help them find employment, and do minor car repairs. We are connected with many local churches just in case people have a need we cannot meet. God said He was going to do a new thing with me.

Why I Partner with Daystar:

I partner with Daystar because you love the Lord enough to do what He says to do.

"God said He was going to do a new thing with me."

world, and the church. A fully-orbed father longs to exemplify ecclesial commitments and practices rooted in confession of needing Jesus daily, while serving as an example, role model, and defender of righteousness to his family and in every sphere of life. To do so, his desire is to possess a battle-ready attitude of passionate prayer with deep conviction, a strong conscience and fully-orbed courage and character.

A Father's Present of Presence JACK HAYFORD

The years Anna and I were raising our kids were simultaneous with the years we began to experience the incredible "busy" a God-blessed ministry can bring. As the blessings abounded, I learned how easily distracted a young leader might become from the priorities of parenting. However, today I thank the Lord for the day He taught me the importance of *giving my kids the gift of "being there!"*

That day, I was about to phone Anna to announce, "I'll be home late--Go ahead without me at dinner." But as I started to dial, I heard a Voice—clear and to the point: *"Since you were born into My family, I've always had time for dinner with you. Now, I'm commanding you—'Be sure you always give time for dinner with your family!"*

It was a trumpet call out of the Book of Revelation (3:20). Jesus pierced my heart with His tender words: *"If anyone hears My voice, I will come in and dine with him and he with Me."* So it was, on that day, Christ Jesus—the Head of the Church commanded me, as head of my family. He forever welded this gift of understanding; that even as a *busy pastor*, my "first call as a

shepherd" was to be present at "feeding time" with the small-but-precious-flock God gave Anna and me.

It's another part of our family story how prioritizing Suppertime became the *most fun, most holy, most hilarious, most deeply meaningful, most laughter filled and, often, the most prayer-focused* as any part of our family's life. You can ask our kids: I think they'd all agree that they're glad for the day God spoke to Dad, to teach him, saying: *"I promised I'll always have time for dinner with you; so don't ever let yourself become so busy you aren't always at dinner with your kids!"*
