FROM THE DESK OF **MARCUS LAMB**

Dear Partners & Friends,

Joni & I are so happy to announce that **Baby Israel** is here!

Jonathan & Suzy gave birth to **Israel Elisha Lamb** on October 5. (My 55th birthday was October 7th so this was a great birthday present!)

Baby Israel came two weeks early, so he weighed 5 lbs. 6 oz. and was 20" long. (He looks just like Jonathan did as a baby, but he has Suzy's pretty lips!)

Speaking of "Israel," we have secured a building in Israel for **Daystar's House of Hope** for the **Holocaust survivors**. Renovations are under way. This project is going to cost millions of dollars so we really need your help!

If you have ever pledged for Israel in the past few years, please do your best to pay on your pledge. Most of the Holocaust survivors are in their 80's and in poor health. So most of them won't live much longer. That means we need to do all we can **now**!

Maybe you could send something extra this month to help with this project?

Also, please continue to pray for the opportunity to have a Christian TV network to cover the nation of **Canada**! This will be a major breakthrough spiritually for that nation. It will cost several million dollars. But it will be worth it to impact the nation of Canada!

So, if the Lord lays it on your heart to help us with Canada, please do so. That would make you a **media missionary**!!!

What are you going through right now? How are things with your family? Please include your **prayer requests** and we will join our faith with you and pray!

Yours For Christian Television,

*Marcus Lamb*

**TESTIMONIES**  
FROM AROUND THE WORLD

"I just wanted to thank you guys very much for being in my life. I have not gone to church for the past 2 1/2 years, as I am in considerable pain with my feet burning and am up most of the night. To be able to turn on Daystar and sit here and watch all the beautiful things that you do is like being in church right here in my house. Thank you very much." – Carl

*I just wanted to share...*

Recently I traveled with the Daystar Singers and Band to Lovelady, Texas to minister to the inmates at the Eastham Unit. Along with us were Reggie Dabbs, who delivered a powerful message, and Michael Jr., who made the Scripture "laughter doeth good like a medicine" come alive with his comedic routine. **Because of the faithful giving of our partners, we were able to share the Gospel in the very place Newsweek once**

**called "America's toughest prison."** These inmates are among the worst offenders in Texas, but many stood to receive Jesus as their Savior during the invitation. We praise God for these souls! It is such a blessing to watch these men, many of whom have committed heinous crimes, worshipping the Lord. We went to the prison to minister, but as so often happens, we ended up being ministered to as well. It was beautiful to

be able to come together with them and lift up Jesus. **Two episodes of "Joni," airing November 13-14, will focus on our trip to Eastham.** Be sure to tune in on those days to experience the incredible blessing we received at the prison. You will no doubt be blessed as well as you witness the power of God that changes hearts.

## << The Ethos of Divine Thankfulness - Psalm 107 >>

Of all the possible Christian values which are relevant to His church, divine thankfulness has a most significant effect upon one's life (Psalm 100). While there are many godly values which underpin one's life that are particularly Christian in origin — living a life of gratitude produces great fruit; bearing in mind that Christian values are transmitted by spiritual osmosis during hours spent in earnest with God. For Christians, agape type love is

the foundational Christian value—it lies at the root of all others (Colossians 2:2). Out of it should flow a river of thankfulness leading us to deeper waters. For Christians, time with Trinity produces a generosity of heart, and is a practical outworking of thankfulness—thankfulness for God's love for us. **A thankful Christian is a caring disciple demonstrating faith, hope and love throughout all spiritual activities, with empathy for others, and a reverence for**

**God revealed in every aspect of daily living** (Hebrews 12:28). I argue here for Christ, that possessing a spirit of divine thankfulness indicates the subjective intensity of straining toward the object from which it originated, bringing the creature in tune with the Creator. Divine thankfulness draws us from the desert of self-obsession and frees us from the graves of silenced praise.

## Happy Thanksgiving!

Take time to think and thank God for the many blessings in your life.

Daystar donated over 700 items to the Christian library at Eastham Unit during Joni and the Singers' recent visit. This would not have been possible without your generous giving. Rather than just tell you about it, we would like to share with you a note of thanks we received from Vance Drum, chaplain of the prison:

*"Thank you so much for your generous donation of 613 hardback Christian books and 32 Christian CDs to our Eastham Chapel of Peace Lending Library on your recent ministry trip to our prison."*

*Prisoners have so much time to read and listen to programs, and Christian books and CDs are just what the Great Physician has ordered to help those who have made big mistakes in life to get on the right track with God.*

*Thank you also for the 60 worship hymnals Daystar purchased and delivered to our Eastham Trusty Camp church (outside the barbed wire fence but still in the prison). The hymnals we were using are 20 years old and falling apart. The new hymnals are beautiful!*

*On behalf of all of our 2,500 inmates at Texas' Eastham Prison, thank you for honoring the Scripture which says, "Remember those in prison." Jesus said, 'I was in prison and you came to visit me.'"*

*The blessing is for us who have received these gifts from you. The greater blessing is for all of you who gave."*

Thank you, Partners. Your donations are making a huge difference to those in need!
