FROM THE DESK OF **MARCUS LAMB**

Dear Partners & Friends,

What a great **Fall Sharathon** we had! Joni & I are so thankful for everyone who pledged. Now I want to encourage you to be faithful to your pledge. Remember, ***"The seed can't grow into a harvest, until you first get it planted into the ground!"***

So please be faithful to God and He will be faithful to you...

---Did you hear my **major announcement**? There are about 180,000 Holocaust survivors living in Israel. But about 70% of them live alone and in poverty. Daystar is going to provide a large facility, which will be called the **House Of Hope** so they can live there. Daystar will take care of their room and board and provide other assistance.

Because of old age and poor health, most of them will only live a few more years. They deserve to be honored and live in dignity for their remaining years. Christians & Jews will be able to visit them so they can share their stories of God helping them to survive the Holocaust, so we can all learn!

So I am asking you to prayerfully consider becoming a **Helping The Holocaust Survivors** supporter. For a one-time gift of \$1,000, or \$84 a month for 12 months, I want to send you an official certificate signifying your special support for these brave heroes! **(Together, we can impact the entire Jewish history!)**

---**Joni & I just celebrated our 30th anniversary!** (I can honestly say that we are closer to one another, closer to God, and our kids are closer to us, than ever before! God's grace is great.)

---**Jonathan & Suzy just celebrated their 1st anniversary!** (They have decided to name their baby boy **Israel Elisha Lamb**.) Please pray for them during this pregnancy.

--- **Our Refreshing Times Conference with Bishop T. D. Jakes, Pastor John Hagee & Pastor Jentezen Franklin will be November 1-3 at the Fort Worth Convention Center.** (There is no registration fee, but you must register in order to make sure you have a seat. So call 1-888-755-0157, or go online to [daystar.com/rtc](http://daystar.com/rtc).)

Joni & I love and appreciate you very much. Thank you for your faithful support. If you didn't renew your pledge during the Fall Sharathon, will you please do so today?

Yours For Christian Television,

*Marcus Lamb*

## TESTIMONIES

from  
AROUND THE WORLD

"...I really praise and thank God for having Daystar Television Network. It helps me so much in my Christian life. ... I learned a lot and thank God for being a partner now to Daystar. When the Daystar Sharathon Broadcast for the month of February 1 was moved by the Holy Spirit to be partner of these events and that is my first time to call to check whether they will pick-up my call and I really thank God coz someone picked up my call. ... I was very happy after my call, though I'm a little bit nervous talking on the phone. ... The best is yet to come to my life, my husband and my whole family. With all my heart I thank and praise God, even to the staff of Daystar. God bless us all!" - Priscilla in Hong Kong

Refreshing Times Conference is getting closer! We are now just two months away, and the excitement is certainly growing.

We are so happy that John Hagee will be joining us Saturday morning at RTC. He

is no stranger to many of you. He is one of our top programmers on Daystar, and his church, Cornerstone Church in San Antonio, reaches thousands of people every week. In addition to all of this, he is a major supporter of Israel – a place dear to mine and Marcus' heart. He is sure to bring a timely, powerful word to everyone who attends his session.

Don't forget that registration for this amazing event is free, but registration is required to save your seat. Go online today to [daystar.com/rtc](http://daystar.com/rtc) and let us know you're coming. You won't want to miss this! *Joni*

## SPOTLIGHT devotional

Modern atheism is a sad result, at least in part, from distortions allowed to enter into Christian doctrine from both Greek philosophy and a lack of sound "Biblical exegesis" proving that we serve a loving, covenant-keeping God. God cares about our lives and is touched by our infirmities (Isa. 53); He is not some domineering puppeteer. While the God of Greek thought remains aloof and indifferent, correct theology (doctrine) teaches that Abba Father treats us as a caring parent who provides hope as

## << Joy, a Doctrine of God - John 15:11 >>

we seek a genuine relationship with him (Psa. 16:11). Unlike the Greeks and atheists, we are blessed to know the One who doesn't remain at a distance worrying about his own reputation, but one who boldly stepped down from heaven in the embodiment of Christ Jesus; rescuing humankind from their distress (Heb 12:2) and opening a Door to genuine Christian joy - an outcrop of one's salvation experience (Zech. 9:9). Joy conjoins faith and hope, and as these graces are exercised daily, spiritual joy increases so much so that

joy and the rest of the fruit of the Spirit become a part of the foundation of the Christian's experience and character. This endowment is granted only to his redeemed and obtained for them by his blood. Child of God, if you have lost your joy, Christ stands ready to anoint you once again with times of refreshing (Psa. 51:12). Jesus will cause gladness and joy to overtake you, and sorrow and sighing will be driven far away (Isa. 35:10).

## DAYSTAR AROUND THE WORLD!

What began as a small television station in Montgomery, Alabama is now Daystar Television Network – sharing the message of Jesus with the entire world. Through cable, satellite, and Internet streaming, Daystar reaches over 680 million homes globally, the vast majority of those outside of the United States.

Before Jesus was crucified, he gave his disciples signs they could look for to know when He would come again. Not willing that any should perish, He said in Mark 13:10 that before He returns, "the Gospel must first be preached to all nations."

This is why we at Daystar are so passionate about reaching the entire world. As you can see on the cover of this newsletter, Daystar broadcasts many ministries from across the globe. Located in Europe, Africa, Asia, Australia, South America, Central America and the Middle East, Daystar's international programmers truly "cover the earth."

However, our programmers are not the only ones reaching the whole world. **When you are faithful to your pledge to Daystar, you are playing a huge part in touching lives for Jesus.** Many countries

are closed to the Gospel, but they cannot stop our satellites from coming into homes. Who but God knows how many people, who otherwise never would have heard the Gospel, have given their hearts to Jesus because they watched Daystar. You are a part of that!

Daystar will continue to grow overseas; our international programmers will keep preaching; you will keep giving – countless people will be brought to God through our efforts. **Let's continue to cover the earth with the good news of the Gospel!**
