FROM THE DESK OF **MARCUS LAMB**

Dear Partners & Friends,

I am so excited about our next **Heart for the World** which will be **Monday, June 2 – Monday, June 9**.

We will have three new Ministry Guests:

Pastor Jim Raley – Calvary Christian Center: Ormond Beach, Florida

Bishop Liston Page – The Highway Church: Paterson, New Jersey

Pastor Shane Warren – First Assembly of God: West Monroe, Louisiana

And Daystar will make history by going **live** from the **Golan Heights** in **Israel** with **Division 188** of the **IDF (Israeli Defense Forces)** for **“Israel Night”** on Wednesday night.

In fact, Israeli Prime Minister **Benjamin Netanyahu** asked Daystar to do a special on the Golan Heights. Hopefully you got to see it a couple of weeks ago. (If not, go to Daystar.com and watch it on VOD.) We will be showing parts of it on that Wednesday night.

Daystar also made history last month when we became the first Christian TV Network to broadcast from **Statuary Hall** in **Washington, D.C.** for the **Washington – A Man of Prayer** event. This was approved by Speaker of the House, John Boehner. (If you missed it, you can watch it on VOD at Daystar.com.)

Also last month, we broadcast live my preaching at Pastor Steve Munsey’s Church in the greater **Chicago** area.

And did you enjoy Daystar showing the **Gateway Women’s Conference** called **Pink Impact**?

Dr. Ron Phillips is a new Programmer on Daystar on Sundays at 1:00 pm ET. He is a Spirit filled Pastor of the **Southern Baptist Church** in Chattanooga, TN.

And **Dave Roeber** is a new Programmer on Daystar on Fridays at 1:30 pm ET. He is a decorated War Hero.

Your Daystar gave **\$100,000.00** to the tornado victims in Arkansas last month.

All of the things above are very good reasons to continue to support Daystar... Joni & I love and appreciate you so very much. Thank you for standing with us!

Yours For Christian Television,

Marcus D. Lamb
Founder/President

TESTIMONIES
from
AROUND THE WORLD

I absolutely love your television network and I don't know what I would do without having your programs to watch! I am proud to support you financially!!!

– Heidi (Facebook)

My family and I would like to thank you for your prayers. We are asking the Lord for more families to get saved here in Lupton, Arizona and Gallup, New Mexico. Our children and teens are being forgotten by our people and there is more gang violence. Since we made our pledge we have received blessings from the Lord Jesus Christ. We have seen an amazing difference; glory be to God. We surely appreciate your prayers.”

MUSIC mondays

Well, you know how much I love music! I always feel so much joy when I get to worship God and bring glory to his name through song. Even as a young girl, I would sing into my hairbrush and imagine being in front of thousands of people. I had no idea that I would one day minister through music to countless people through Christian television.

So in celebration of my love for music and as a fun way to kick off the summer, I am excited to bring you something very special! Coming to *Joni Table*

Talk this summer, it's a musical celebration, and I'm welcoming some of the best artists from across Christian music! You don't want to miss Clay Crosse, Michael O'Brien, Phil Stacey, Kirk Franklin and many more!

So grab your hairbrush, or whatever you use for a microphone, and get ready to sing along! Tune in to watch my special *Joni Music Mondays* this June and July only on Daystar!

Because of your continual giving towards Daystar projects and missions, the lives of people all around the world are being impacted daily. In particular, you have been transforming the lives of people in both Uganda and Moldova through your generosity.

Through the Irene Gleeson Foundation in Uganda, your donations, which have now exceeded \$600,000, have helped to construct a much needed women's hospital in the northern region of Uganda. The hospital, which will be completed later this year, has been designed to combat the rising number of childbirth related deaths that occur in that area due to the lack of proper medical facilities.

In Moldova, your donations towards Stella's Voice, a ministry dedicated to ending human trafficking in that region of the world, are being used to construct two new

homes for 60 at-risk teens, all of whom have aged out of the country's orphanage system. Without your help, these teens would be turned out of the orphanages and on to the street at the age of 16, instantly becoming prime targets for abduction by sex traffickers.

From the jungles of Uganda to the streets of Moldova, your donations are truly making a difference in the lives of people all around the world. Thank you, partners, for your generous hearts!

SPOTLIGHT devotional

by Alan Bullock

The destinies of the church and our nation lie critically at the cross roads of choice and opportunity. By the decisions we make personally and in the community of faith over the next few years, we will be responsible for the history of the church during our remaining days upon this earth, or until Christ returns (Jos. 24:15). When he returns, will each of us have a Heart for the World, a heart of faith, yearning to share his love with the nations? We believe there is a need for a move of God in our nation and churches during these

volatile times. This calls for a deeper intimacy with the Lord, moral and spiritual awakenings that provoke self-examination to see if we are holding to our faith (II Cor. 13:5). We are called to embark on a journey of Spirit-deepening, life-creating power which happens when we commit our souls, yielded and broken for His service (Psa. 51:17).

As the tide of unrest sweeps across our nation, and the world, there is an increasing awareness that spiritual change is required. A life of "trusting God" is like a ship above a deep ocean current unseen below the surface. It flows

through all of life's experiences motivating us to seek fulfillment in Him and stay connected, while steadily carrying us towards a deeper relationship with God (Prov. 3:5). Having a Heart for the World requires that we have... 'More of the Risen One.' A divine response to that need would be a latter-day revival, a Heart for the World love that carries with it -- the finger print of God changing the history of our nation, and we ourselves (Jn. 17:22).
