URGENT!!!

Dear Partners & Friends,

If you didn't hear me mention this on TV, then I need to share an **urgent** matter with you. Around **40,000** families did not receive our **March Newsletter**. As a result, several hundred thousand dollars has been lost to your Daystar.

You have never heard me give an "emergency" appeal for Daystar. And you have never heard me say: We are "going off the air" if we don't have your help. And I am not saying that now!

But, we did cut back our **Heart For The World** (formerly: *Sharathon*) from two weeks to one week, which cost us \$10 million dollars. And now many of you not getting the March letter...

So I am personally asking you to do something **"extra"** this month to help us make up for it. Any extra gift, large or small, will be very much appreciated.

Daystar will survive because we have always been very good stewards of God's money! But I don't want to have to cut back on: **Missions giving, outreaches, video productions, employees, or reduce airtime and programs on Daystar!**

All Joni & I are asking you to do is just pray and ask God what He would have you to do this month. If you ask Him, I believe He will put an amount on your heart. **(Because of your "extra" giving, I believe you will receive an "extra" blessing!)**

When you fill out your pledge card, please write on there how much **"extra"** you are giving to help make up the short fall, so I can personally know.

***Your Daystar continues to grow. We just launched on Charter Digital Cable in Joni's hometown of Greenville, SC and also: Spartanburg, Anderson & Gaffney, SC, & Asheville, NC.

And Daystar just launched on **Cincinnati Bell Digital Cable** in **Cincinnati, OH**.

The first week of June, your Daystar is going to make history by doing something **live** from the **Golan Heights in Israel** with the **188th Division of the IDF** (Israeli Defense Forces)! Pray...

Yours For Christian Television,

Marcus D. Lamb

Founder/President

John 15:7 (My favorite scripture!)

P.S. Joni & I want to thank you in advance from the bottom of our hearts for doing something "extra" this month to help us meet this need!

"I am thankful to the Lord and to the Daystar prayer line. When I called to ask for prayer because I was having a test done to detect cancer, I was worried and anxious. After praying and trusting in the Lord, I got peace. The results of the test were positive. I am very happy and thankful to the Lord."

– Flora

"God is good! I praise Him for everything He has made possible. Your programs always make me feel I need to share. Sometimes I give to those around me that have a desperate need. God blesses me without fail. Thank you for your message of giving. I give and God blesses. I know your work is blessed."

– Ann

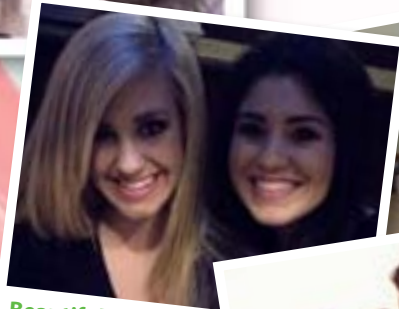

"Daystar Television Network has made a tremendous impact on my life. I am a recovering drug addict. Five months ago, I finally decided to change my life and get off drugs. I finally found Jesus Christ and made Him my Lord and Savior. I turned my life over to God, and that's when I started watching Daystar. I absolutely love it."

–Nicole

From Joni's
Heart...

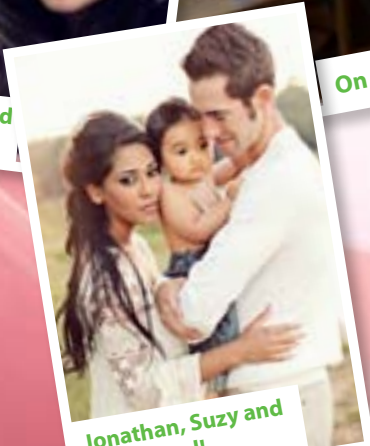

With Mother's Day coming up this month, I can't help but reflect on the wonderful things all my children are accomplishing, and how proud I am of them as a mother. Rachel is working at Daystar in many areas, being a blessing to the ministry administratively

as well as joining me on Table Talk from time to time. Rebecca is enjoying her classes at Kings University as well as helping at the ministry when her schedule allows. Jonathan is also working with his dad at Daystar, and he and my daughter-in-law Suzy recently launched their program, "The Green Room," on the air here at Daystar! "The Green Room" features a behind the scenes look at your favorite "Marcus and Joni" guests, including anything from personal stories and words of encouragement, to funny stories told by the guests. They both do a great job, and Suzy's fun loving personality along with Jonathan's calm demeanor make a great combination. Be sure to watch "The Green Room" on Thursday's at 11:00pm and Saturdays at 1:30am Eastern. Happy Mother's Day to all the mothers out there!

SPOTLIGHT devotional

by Alan Bullock

More people today have less confidence about their future and the world in which we live. Most polls show people have lost trust in government, the economy, and our future. Despite the troubling times in which we live, there is still a steady presence we can believe in. He holds no political office, nor does He run a corporation, but He has influenced more people than anyone who has ever lived. After a forty year, careful evaluation of His bestseller, the Bible, I can find no fault with His writings. He is honest, fair, truthful and steadfast. He is trustworthy and certain in these uncertain

times. He is a Savior in crisis, and protector in danger. I can trust in the unknown because He is known. He is Jesus! Today, you and I need someone to believe in so that the future won't negate, death won't confiscate, the economy won't obliterate, politics won't liquidate, terrorists won't terminate and the enemy won't devastate. Jesus is the One who can care for us during times of crisis. He is an "on-time" God. He and He alone is indestructibly certain in uncertain times. Terrorists can't destroy Him. Satan can't harm Him. Famines can't starve Him and life's problems can't deter Him. He is an ever present

help in time of need! You see, Jesus is unstoppable. He has unstoppable grace, unstoppable compassion, unstoppable mercy, unstoppable love, unstoppable generosity, unstoppable truth, unstoppable hope and unstoppable power. By practicing unstoppable intimacy with Jesus, life's setbacks are turned around for good. We can be certain in uncertain times because we know the One who loves us and is standing guard over us with an unstoppable commitment to His children.
