FROM THE DESK OF MARCUS LAMB

Dear Partners & Friends,

Joni & I, and the Daystar Singers, just returned from **Detroit, Michigan** where I preached for Bishop Andrew Merritt at the *Straight Gate International Church*.

In a few days we will fly to **Guatemala** and minister for Pastor Cash Luna at Casa De Dios. They have a new 12,000 seat sanctuary!

Then later this month, we will fly to **Columbus, Ohio** and minister for Pastor Rod Parsley at *World Harvest Church*.

(We will be getting the video tapes of these special services to show on Daystar so you can watch them.)

Our Fall **Heart for the World** will be Monday, September 29 – Monday, October 6. Please be praying for this important event. There will be lots of special guest ministers and a **live** night from **Israel!!!**

A few days ago, Daystar sent around \$30,000 to help the Christians in Iraq who are under attack. Then a few days later, we sent \$50,000 to help people in Israel.

Each year, we send **several million dollars** to help with the needs in **Israel**. So if you have ever made a pledge to Daystar for Israel, even as far back as 2005, and haven't paid your pledge in full, I want you to prayerfully consider starting back paying on your pledge.

There are three main reasons why you should:

- 1) Israel, and its people, needs our help now more than ever!**
- 2) Israel needs to see that Christians, who have persecuted them for hundreds of years, are now standing strong with them as their friends.**
- 3) You & your family need the "Blessing of God" that comes when you Bless Israel!**

So I hope to hear from you soon. And if you have made a Heart for the World pledge in the last year, please be faithful to the Lord with that pledge.

More good news! Your Daystar continues to grow – **Daystar Canada** just launched on Eastlink Cable to 450,000 homes! Daystar also just launched on Liberty Cablevision in **Puerto Rico**.

Joni & I just celebrated 32 years of marriage! Jonathan & Suzy just celebrated 3 years of marriage. Rachel has been in **London, England** doing graduate studies at Oxford University.

Yours For Christian Television,

Marcus D. Lamb
Founder/President

"In November 2013, my husband Russ was watching Marcus' sermon 'Power In The Blood' and he was healed of throat cancer! He had been diagnosed with it in July 2013. The doctors said the cancer would kill him within 30-90 days because it restricted his breathing. Russ decided not to seek treatment as he is 82 and did not want the pain and discomfort of surgery. He chose to

believe that God was going to heal him or take him home. Everyday I would read The Word to him, take communion with him and watch Daystar. Russ' voice had been gone since his diagnosis in July and he was continuing to have doctor visits as they sought ways to help him breathe. While Russ and I were watching the 'Power In The Blood' sermon, I knelt down and touched the TV

and touched Russ at the same time. I said, 'by faith I believe that the same blood that Marcus is talking about has the power to heal Russ now. Blood of Jesus!' Immediately, Russ jumped up and began singing, 'Power, power, wonder working power in the precious blood of the Lamb!' – *Maud*

From Joni's Heart...

As I think about this past year, I can hardly believe all the turmoil in the headlines. It's undeniable that we live in a dangerous world. That's why it's important to fight to protect those things that matter most like freedom, family and especially your marriage.

Of all the relationships you'll have in life, none are as important and as complex as your marriage. And with so many outside attacks on marriage, I wanted to give you the tools to help your marriage succeed.

So get ready to take your marriage to the next level as Joni Table Talk kicks-off

"Marriage – God's Masterpiece," September 15th - 19th! It's an entire week devoted to empowering your marriage.

We'll bring you insight and expert advice from guests like **Jimmy Evans, James and Betty Robison, Canon J. John, Tony Evans, Dr. Doug Weiss** and more! And **John and Lisa Bevere** give a revealing look into their marriage that you don't want to miss!

JOIN WITH DAYSTAR TO SUPPORT ISRAEL!

On Wednesday, July 30, an Israel Solidarity Rally was held at the Dallas City Hall Plaza in downtown Dallas, Texas. People from all across the Dallas-Fort Worth area gathered together as a community to show

their support for Israel. Governor Rick Perry and Pastor Terri Copeland Pearsons were among the guest speakers, and Daystar covered the event, which can now be seen at Daystar.com/Rally.

With all the recent violence in Israel, it's so important that we take every opportunity we can to show our support for God's chosen nation. If you've ever made a pledge to Israel

through Daystar in the past, and you haven't paid your pledge in full, please prayerfully consider continuing to give towards Israel. Or, if you would like to start giving towards Israel today, visit Daystar.com/Giving.

Remember, God blesses those who bless Israel. Thank you for faithfully supporting Israel, and please continue to pray for the Holy Land!

SPOTLIGHT
devotional

by Alan Bullock

God sees in us *"that which is possible."* We are called to a zestful life, the aroma of Christ spilling out of our alabaster containers of intensity, intimacy and Spirit immersion into the highways of life. A life of faith shields us from life's pitfalls, though we are not immune to the enemy's attacks. Yet we remain confident that we are the fresh canvas in which the colors and textures of heaven's Artist reflect daily in shades of grace and mercy. And we know He

<< Living Godward >> 2 Corinthians 3:4

understands that we are a work in progress. What we shall be, we cannot yet see, but we know we live Godward, and are conscious of participating in an adventure only dreamed of by the angels, but foretold by the prophets of old (1 John 3:2). God is doing a new thing in His church during these last days. He's calling upon all of us to reach the world with the Gospel. This is wholeness as God intended for us. However, He extracts a fee, a price must be paid, a willingness to bond one's

self to His-self. God doesn't Xerox His people, He has unique intentions for each of us – we are to be originals and we dare not ask the Potter, why have you made me thus. We are of different shapes, sizes, colors and backgrounds, but we become powerful and whole when we follow the One who saw in us divine potential while we were yet being formed in the womb (Jer. 1:5).

GETTING TO KNOW CASH INTERVIEW WITH CASH LUNA

BRIEFLY SHARE YOUR TESTIMONY WITH US.

God has been present in my life for as long as I can remember. I grew up in a family where it was just my Mom and me. Thus she became my example, my role model and my support in everything. I recall my first encounter with the Lord when I was ten years old.

It was nighttime, and He

was standing right at the foot of my bed. I couldn't see His Face, but His Presence overwhelmed me, and I could literally feel Him looking right at me. I woke up my Mom so she could see Him, but she couldn't see him. Only I could. It was mind-blowing and wonderful.

Ever since, I've always felt Him right by me. He'd sometimes be asking me things and other times He would give me real clear instructions to follow. He's led me and counseled me, even before the day when at twenty-years old a friend invited me to church and I gave my life to the Lord. I remember so clearly walking towards the altar in a pair of men's clogs; they were in fashion back then. I had torn-up jeans and a pack of cigarettes in my back pocket. And as of that moment, He's had my total and undivided commitment. The Lord just made me fall in love with Him. He filled me with His enthusiasm and passion for souls. I've dedicated my life to serving Him, and honestly, it's been the best decision I've ever made.

WHO HAS BEEN THE BIGGEST INFLUENCE IN YOUR LIFE?

Some of my biggest influences have been my Mom and my pastor, Jorge H. Lopez, as well as Joel Osteen, Luis Palau and believe it or not Mother Teresa of Calcutta. My wife and children have also been a great influence in my life, because of their unconditional love and wholehearted commitment that always encourages me to press on.

WHAT'S THE ONE MESSAGE YOU WANT PEOPLE TO TAKE AWAY FROM YOUR MINISTRY?

That Jesus Christ IS the Son of God, and He's our Savior. That's the most important message of all. We also share that God is our loving Father. He loves us and yearns to have an intimate relationship with each and every one of us. His love, grace, mercy and blessings will always be with us if we just believe His Word and act on it.

DO YOU HAVE ANY INTERESTING HOBBIES?

Well, I love sports in general. I always make time in my busy schedule to practice a sport with my family, and we all usually exercise together.

WHAT IS THE BEST PIECE OF ADVICE YOU'VE EVER BEEN GIVEN?

The best advice I've ever received is that without faith it's impossible to please God, and also love is a determining factor. Always love, love and love some more no matter the situation.

HOW HAS DAYSTAR, AND CHRISTIAN TELEVISION IN GENERAL, IMPACTED YOUR MINISTRY?

Daystar has been a wonderful opportunity to take the Gospel of our Lord Jesus Christ and the blessing of His Holy Spirit to many other nations, for it is He that works in the lives of those that really believe. At the same time, Christian television, especially Daystar, has been a blessing to my life allowing me to meet other ministries that I have learned from and have edified me greatly.

What is your favorite thing about being in ministry?

I guess you can say it's the intimate relationship I enjoy with God. When we give Him first place in every aspect of our lives, He starts fulfilling the loving work He's designed for us.
